Members of this team should be people-friendly, have a desire to help others, and physical stamina to stand for extended periods of time.

9

NORTH SIDE KIDS (CHILDREN'S MINISTRY)

We offer children (ages 3-11) a place of wonder and discovery as they learn Biblical truths. Our goal is to create an environment that is both educational and entertaining. Roles include: music and fine arts leaders, registration and administration, teachers, monitoring newborns through toddlers.

10

ONLINE HOSTS

Our online hosts are vital for us to connect with our global congregation. Every week, this incredible team actively engages in live chats, shares Bible verses and encourages individuals to consider accepting Jesus as their Lord and Savior - all from the comfort of their own home. This is beneficial for those who don't have a physical house of worship within reach or prefer virtual spaces instead.

11

OUTREACH

Our Outreach Team is responsible for supporting the community through events and relief efforts. We meet the needs of those in underserved communities, those who have been affected by natural disasters, and those who just need a little additional support. This team meets as needed, typically outside of the church.
